The Capricornian Ltd - Australian Finance Directory

The Capricornian Ltd has evolved from a small parish credit union established in a suburb of Rockhampton in 1959 into a full service financial institution with six branches covering Central Queensland. In 1979, membership was opened up to all people in Central Queensland and not just Park Avenue residents. This led to significant growth. In 1981, it amalgamated with North Rockhampton Credit Union Ltd and the company changed its name to Capricornia Credit Union Ltd. Reflecting its growth, in 2009 the company changed its name to The Capricornian Ltd to help engage people who do not fully understand the full services of a credit union. The Capricornian Ltd offers a full range of banking products and services. These include loans such as personal loans, home loans, car loans and business loans. Moreover, The Capricornian offers a wide range of insurance options such as home & contents insurance, car insurance, caravan & trailer insurance, boat insurance, travel insurance, loan protection insurance and landlords insurance. Furthermore, it also offers business accounts, term deposits and saving accounts. In addition, financial planning is also offered through Bridges. Likewise, Visa debit card is also offered as well as internet, mobile and phone banking services. Credit Unions are financial institutions where people come to borrow and save money, much like a bank, however it is owned by its members. The credit union knows its customers, their families and what's going on in the local community. The customers are its focus and its service is personal.
