Zar Mortgage Brokers - Australian Finance DirectoryThe company was founded in 2002. Some mortgage consultants offer a limited choice of home loan products. Zar Mortgage Brokers work with over 30 different lenders – banks, non-bank lenders, building societies and credit unions, including all of Australia's leading lenders. That's why it can offer a choice of over 800 different loan products. The result – a home loan that is specifically tailored to customer's requirements.Zar consultant will meet with you at your home or office at a time that is convenient for you, 7 days a week. Unlike some other mortgage brokers, there is no charge for the services. The company stand by its reputation. As its business is mainly generated through word of mouth recommendations, it always strives to do its best by its clients. All of its mortgage brokers comply with federal and state legislature and are Members of the Mortgage Industry Association of Australia.Zar Mortgage Brokers has professional affiliations with Australian Financial Group. Also, Zar Mortgage Brokers has received excellence awards from AFG in 2004 and 2005. Zar Mortgage Brokers is a member of The Mortgage and Finance Association of Australia (MFAA). Zar Mortgage Brokers adheres to an industry Code of Practice which requires professionalism, ethical behaviour, transparency and a commitment to you, the borrower.
