DLV Finance - Australian Finance DirectoryDLV Finance is a local Central Queensland business employing local people since 1997. The company offices are situated in Rockhampton, Emerald and Bundaberg. They also offer an effective delivery of services to our more remote clients and potential customers. Given that lenders policies can change almost on a daily basis, DLV ensure that they deal with a large range of major and minor lenders so they can match clients' requirements with their policies and procedures.DLV Finance's team of professionals have a combined industry experience of over 50yrs. The finance team of DLV Finance can arrange various types of finance for all types of plant and equipment as well as being able to arrange finance for rural properties, business loans, commercial buildings, home loans and home investment loans and lines of credit. Lease and Rental finance for smaller amounts from \$1,500 such as portable cattle yards, pumps, motor bikes, computers and other various types of equipment can also be arranged. DLV do all of this free of charge to our clients in nearly every instance.
