BASic Bookkeepers - Australian Bookkeepers DirectoryBASic Bookkeepers have been in business since 2000. For many years before that, as individual bookkeepers, they were in business for themselves. In the last 16 years, BASic Bookkeepers have grown into a successful bookkeeping business respected by clients and accountants for their professionalism, warm approach, and high standards. With their great team of expert bookkeepers and now with over 200 clients, BAS stand out in the industry. They're known for their solid approach to bookkeeping and for consistent delivery of their core strengths — quality, flexibility and expertise.BAS offer a vast range of bookkeeping services including; BAS preparation and lodgement, software training, set-up and purchase advice, data reviews, payroll processing as well as customised financial and management reporting, budgeting and forecasting. They can also supply accounting recommendations or support if the client doesn't own a regular accountant. BAS offer all levels of bookkeeping from tiny new start-up cash businesses through to larger entities with complex bookkeeping requirements. BASic Bookkeepers specialise in Xero setup, installation & training. The company offers hourly rates or fixed price packages and they are flexible in the level of bookkeeping service they provide to suit clients' needs and budget.Since 2000 BAS have supported and worked with over 750 small to medium businesses, helping them realise their dreams. They now have two Australian offices. Their head office is based in Leichhardt, close to Sydney's CBD. As of October 2016, they have a new Queensland office, conveniently located on the Gold Coast ready to service Brisbane, Surfers Paradise and the Sunshine Coast. BASic Bookkeepers continue to service some of the most innovative and passionate small businesses across Australia and beyond. Their mission is to help make small business owners dreams
