P&N Bank - Police & Nurses Limited Police & Nurses Limited, commonly known as P&N Bank is the largest member owned bank in Western Australia. The bank operates under a mutual model of banking and offers retail banking services to its members, including savings and lending products, insurance and other financial services. It has a total of 17 branches in Western Australia. It has a Contact Centre in Perth and is part of the rediATM network. The bank is wholly owned by its members and the shareholders of the bank, there are no third party shareholders.

Police & Nurses Credit Society emerged in Western Australia in 1990 after the merger of Police Credit Society of Western Australia Ltd and the Western Australia Nurses Credit Society Ltd. In 2001, it merged with Energy Credit Union Ltd. In total, 15 credit unions make up the P&N Bank. In 2013, it received the regulatory approval and became mutual bank trading as P&N Bank. P&N Bank provides financial products and services, including transaction accounts, saving accounts, home and personal loans, financial planning, insurance services and business banking services. The company also offers credit and debit cards and ATM services to its account holders.
