First Class Accounts - Australian Bookkeepers Directory
Founded in 2000, First Class Accounts has grown to become Australia's largest bookkeeping franchise, with more than 150 franchises servicing over 5,000 clients across a variety of industries. First Class Accounts is a division of First Class Financial Group Pty Ltd (ABN 151 147 962 187). The company offers a wide range of financial services other than bookkeeping. These include accounting systems & setups, software training & support and payroll services. First Class Accounts bookkeepers are highly skilled, knowledgeable, and accurate in our management of business accounts and systems. The First Class Accounts training program ensures that they are up-to-date, and compliant with all financial regulations. The First Class Accounts brand is built on the strength of our training programs and the ongoing support it provides its bookkeepers; they are expertly trained to meet all of their clients' needs. All First Class Accounts franchisees are up to date on legislative requirements and software upgrades; they can easily adapt to suit their clients' circumstances and needs. They ensure quality service that is both efficient and flexible.
