Flexible Bookkeeping Solutions - Australian Bookkeepers DirectoryFlexible

Bookkeeping Solutions is a boutique bookkeeping service and it was founded as a Business in 2003 in Queensland, however the Principal, Angelique Sheedy has been a bookkeeper since 1991. Before her life as a business owner and operator of her boutique Bookkeeping business, she wore many “hats”. In all her roles she carried the load of managing the businesses financial reporting which gave her the expertise in Bookkeeping in many different business modules. Fully qualified as a BAS Agent, she has grown her business from a small one woman practice, to the boutique business that thrives today. Angelique and her team at Flexible Bookkeeping Solutions’ ethos is dedication, communication and accuracy whilst maintaining personal service and relationships. The services that Flexible Bookkeeping Solutions can offer its clients are: Cloud based Accounting package – XERO – setup and ongoing support MYOB supply, install, tax code & chart of account setup and training and ongoing support. The company can also provide a fully mobile service. Other services include Electronic Lodgement of BAS , IAS, payroll summaries & super contributions Debt recovery, incoming and outgoing accounts management, end of financial year procedures, account reconciliations, ATO & accountant communications.
