Who's Counting - Australian Bookkeepers Directory From its humble beginnings bookkeeping on the Sunshine Coast in 2000 Who's Counting has evolved and its operations are now a Gold Coast based Bookkeeping Service still reaching from the Sunshine Coast, Brisbane Toowoomba back to the Gold Coast. The company is a registered BAS Agent. It carries a professional indemnity insurance and is bound by a code conduct and ethical standards. The bookkeepers are trained in MYOB , Xero and Reckon Accounts for both PC & Mac. The company offers a wide range of services. These include Payroll & superannuation, BAS, IAS, startup business, reporting and onsite training. Apart from these the company still offers regular ongoing data processing ranging from 2 days per week to a few hours per month. Depending on business and needs, this can be done onsite with client, or from its own office. Who's Counting is licensee for Pure Bookkeeping Systems as well as members of the Australian Bookkeepers Network and Association of Accounting Technicians. The company has a wealth of resources and systems in place to assist in getting the best results and keeping up to date with current legislation.
