The Carey Group - Australian Accountants DirectoryThe Carey Group began in 1951 with humble beginnings when a young Townsville accountant, Brian Carey moved to take up a job opportunity in Ingham. With wife Eunice, Brian settled in Ingham and commenced work in the accounting firm of Larry Kelly. In the 1960s John Hackett joined Brian and firm traded as Carey & Hackett until 1976. The firm changed its name to Carey Accountants in the early 2000s. Sons, Robert and Joe, together with Greg Watson, now take responsibility for the management of the Carey Group. The group is based in North Queensland, but provides accounting and financial services and solutions throughout Australia and in some international locations. The company offers a wide range of services. These include accounting & taxation, financial planning, business purchase, CFO and self-managed superfunds. The company also offers home and business loans. The company's mission is to grow business by helping its clients create wealth and attain peace of mind through the professional delivery of quality financial planning and taxation advice and services. Now CG aims to be the premier Accountancy and Financial Services business of first choice, built around clients and staff who value and respect the ethical service and advice provided.
