Rabobank Australia Limited Rabobank Australia Limited is part of the largest food and agribusiness specialist bank in the world, Rabobank. Rabobank Australia Limited was previously known as Primary Industry Bank of Australia Limited, but its name was changed to Rabobank Australia Limited in March 2003. Rabobank Australia Limited is one of Australia's largest rural lenders and plays an important role in corporate financial services to the food and agribusiness sectors. It offers banking and financial services to companies that are involved in various stages of the food and agribusiness sectors within Australia.

Rabobank Australia Limited offers a wide range of products and services, including farm, seasonal and term loans, equipment financing, farm management deposits, financial planning, risk management and wealth management services. The company is headquartered in Sydney. Rabobank Australia Limited is a subsidiary of Rabobank Australia & New Zealand Group.
