Community First Credit Union LimitedCommunity First Credit Union is the largest community based Credit Union established in 1959 in Auburn, Australia and provides sound and well managed financial products and services to individuals and businesses in Sydney and the Central Coast region. It includes various award winning savings and loans. Being a mutual organization, it is member-owned and runs for member's profit instead of external shareholder profit and provides superior service, an extensive range of products, lower fees and competitive interest rates. With 11 Financial Services Stores today, it has about 76,000 Members and employs about 27 full time employees.Offering a wide cross-section of financial products and services, the Union is primarily a savings institution offering number of savings products like permanent shares, regular savings account, Deposit account, minor account, school savings accounts, fixed deposit accounts, savings club, community first educational savings account (CFESA) and Community first individual retirement account(CFIRA). Community First Credit Union's lending portfolio includes home, mortgage, personal, car, Christmas, green loans, credit cards and overdraft options. It not only offers travel money exchange, travel money card, traveler's cheques, and international money transfer services but also takes care of coverage for car, home and contents, landlords, travel, and loan repayment insurance along with multi-policy discounts on motor, home, and landlords insurance. Additionally, it offers financial planning services like wealth creation, pre and post retirement planning, risk insurance, estate planning, margin lending, and stock broking services; telephone, Internet, and mobile banking services; and ATM, E-statements, SMS and email alerts, and NAB deposit services.
