Dnister Ukrainian Credit Co-operative Limited | Australian Financial Services The company began its journey in 1951 as a self help lending group affiliated with the Ukrainian Catholic Church to provide financial help to newly arriving Ukrainian migrants but was formally established as a state credit union in Essendon in 1959 with a new name, Dnister Ukrainian Credit Co-Operative Ltd. Dnister is a privately held company and its membership is available to members of the Ukrainian community. Membership is available to everyone of Ukrainian origin or affinity with a Ukrainian person, organization or club. Extremely proud of its heritage, Dnister Ukrainian Credit Co-operative offers strong financial products and services, not for profit but for community principles of its members. It is the largest ethnic based cooperative in Australia. The organization generates \$8.76M in annual revenue and employs about 25 people. Dnister offers a range of financial products and services to its members along with flexible features and benefits. Through its home loans, it provides premier home loans, standard home loan, interest only loan as well as equity access. Its personal loans include both premier personal loan as well as personal overdraft. Dnister also offers various kinds of business loans along with varied types of insurance for both personal and business. Everyday banking encompasses community access, everyday access as well as pensioner savings. Its savings and investment portfolio includes community saver, iSaver, term deposits, bonus saver, and complete range of financial planning kits. Dnister Ukrainian Credit Co-operative also facilitates and manages foreign exchange.
